

HCSL HARFORD COUNTY SOCCER LEAGUE

Fall 2011 League

US Club Soccer Affiliation Required
Boys and Girls
Premier and Travel Divisions

To participate in HCSL's Fall 2011 League, Teams will need to:

1. Apply online with HCSL between July 1, 2011 and July 31, 2011; and
2. Register online with US Club Soccer.

To apply online with HCSL, you will need:

1. To determine your Team's division eligibility;
2. Your Team's history for last Fall and this Spring (if applicable);
3. Whether you will provide your own home field; and
4. A VISA/Mastercard to pay the League Fee.

The League Fee for Fall 2011 is \$500, **but teams that provide their own home field acceptable to HCSL will receive a \$150 credit once their application is approved, for a net fee of \$350.** Any field used for HCSL games in the past will be acceptable for the Fall 2011. The field acceptability requirement is necessary to avoid situations where only one game per week would be permitted or time slots provided are not usable.

Home Field

If you plan on using your own field(s) for home games, enter your field as the "Home Field" and make sure your Field Coordinator submits a Home Field Application by July 31st.

If you do not have a home field, simply enter "Need a Home Field" as your "Home Field".

After Applying

Once payment is confirmed, your Team will be listed on the HCSL website under "Fall 2011 – Applied Teams". After eight (8) Teams have registered, the ninth Team or any subsequent odd number Team will be wait listed, pending an additional application. The intent is to avoid odd numbers in divisions and the requisite byes and/or double headers. While we will try to honor division placement requests, final placements will depend on several factors including the number of teams that apply, how many request placement in each division, etc.

Teams will need to register with US Club Soccer online via a link on the HCSL website to follow.

Premier vs. Travel

The Premier Division is open to Teams from Clubs and Travel programs seeking the highest level of competition. This would be the same as Competitive for the Fall 2010 season.

The Travel Divisions A and B are open only to Teams from Travel programs. No Club teams should apply.

Closed Divisions

HCSL will accept Closed Divisions with are comprised of an even number of Teams that submit a request via e-mail to apply as a division. Once accepted as a division, the Teams comprising that closed division will need to apply individually for placement in that division.
